REPLY TO FINAL REJECTION

Sir:

In response to the final rejection mailed April 16, 2003, please amend the above-referenced patent application as follows:

IN THE CLAIMS

Please amend claim 1 as follows:

1 (Amended). An organic light emitting display comprising:

- a front plate having an organic light emitting material formed on one side thereof;
- a back plate secured over said side of said front plate;
- a filler material including a desiccant mixed into said filler material to seal the region between said front and back plates; and
- a plurality of modules, each including a front plate and back plate, said filler material provided between said modules.

Please cancel claims 2, 6-10, and 13.

Date of Deposit: April 29, 2003
 I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the United States Postal Service as **first class mail** with sufficient postage on the date indicated above and is addressed to the Commissioner for Patents, Washington DC 20231.
